Hyper • Local

When it comes to 21st century multimedia platforms, "hyper local" is a term you hear a lot.

It's not a new idea. In fact, **The Westfield News** has been providing readers with "hyper local" news coverage of Westfield, Southwick, and the Hilltowns all along. Television, radio and regional newspapers only provide fleeting coverage of local issues you care about. TV stations and big newspaper publishers, after years of cutbacks and mergers, frankly aren't able to provide in-depth coverage of smaller markets anymore.

But, day in and day out, **The Westfield News** provides consistent coverage of the stories you need to know about, that are important to your city, town, neighborhood and home.
